Pack 3330 Help Our Neighbors Challenge

Our pack has a wonderful opportunity to help out our neighbors in need! Green Good Neighbors is a non-profit volunteer organization whose purpose is to assist families and individuals in Southern Summit County in need of clothing and emergency food. For the next four months we will collect specific food items at our pack meetings and deliver them to Green Good Neighbors. Each month, the den who contributes the greatest number of items per boy will receive a treat. Then den with the highest percentage of donations over the four month period will receive a PIZZA PARTY!!!! Please bring the following items to the pack meetings:

October: toothpaste and hand soap

November: peanut butter (smaller jars please)

December: canned soup

January: spaghetti sauce

Let's help our neighbors and show how much Pack 3330 cares about our community!

Talent Show

**Our Pack is planning on entertaining the residents
of the Greenview Inn with a Talent Show on**

Friday, November 6th at 6:30pm

**Each den will perform a skit or song. The event is
expected to last approximately 1 hour.**
